4th January 2017

Dear Year 6 Parents and Carers,

RE: Year 6 Home Learning Terms 3 and 4

As I am sure you are aware, the children will be sitting their end of Key Stage 2 assessments in May 2017.

With this in mind, we would like to give the children the best opportunity to be successful and feel that it would be beneficial for the children to undertake some traditional maths and SPAG (Spelling, Punctuation and Grammar) style home learning during terms 3 and 4.

As we are aware that the current home learning gives the children the opportunity to explore their topic, and often captivates their interests, we are mindful that we don't want the children to lose this style of home learning either. Therefore, we are proposing that we will alternate weekly between giving the children a topic based challenge and giving a maths/SPAG based task.

Yours Sincerely

G. Holliday 2. Lang

Miss Holliday and Mrs Lang
