Phonics Screening Information for Year 1 Parents & Carers

Would you like to help your child learn to read?

Dear Parents & Carers,

On **Wednesday 19th April from 9.00 – 9.30am** we will be holding a Phonics Screening session to help you to understand the process of the Year 1 Phonics Screening in June.

Mrs Jarvis, our Phonics Counts Teacher, will give you some practical ideas about how you can help your child to read and Mrs Dennis (Cherry class teacher) will discuss the process of the Year 1 Phonics Screening.

We hope you will join us!

This session will take place in the small hall and will last about 30 mins.

Please sign and return the form below if you are able to attend.
