### Enrichment Week – Week beginning 5<sup>th</sup> June 2017

Dear Parents and Carers,

During the first week of Term 6, the children will be taking part in Enrichment Week. We have some very exciting activities planned! This is an opportunity for the children to learn more about their 'Houses' (Teams) in a cross-curricular way.

We have paired the Year groups in the following way:

Year 1 + Year 2

Year 3 + Year 4

Year 5 + Year 6

Each afternoon the children will spend learning time with the other children in their 'house'. Year R will be taking part within their classes. Our Year 6 School Ambassadors will also be leading some learning and inspiring their houses. During the week, the children will learn more about their 'house' with a focus on History, Geography, Art, DT and RE. We will also be encouraging the use of technology to present information and also to research each areas local history and fascinating past.

On Friday 9<sup>th</sup> June, the children are invited to dress in the colour of their house.  
These are: **Boxley**, **Charing**, **Detling** and **Wrotham**.

The following week, we are inviting parents to visit our 'museum' from 3:15pm – 3:45pm. This will also be an opportunity for you to visit our Art Gallery, linked to this term's topic learning.
