

Create a 3D model of a castle.

No bigger than a shoe box please!

In by 13.7.17

Write a recount of an adventurous day out you have had.

It could be our trip to Bodiam Castle!

Complete your Alien Phonics Pack.

You could draw and name some aliens in your Home Learning book too.

Where shall we go for a great day out?

On a great day out, you need a packed lunch.

Record how much each of these things weigh.

- Sandwich
- Fruit
- Snack Bar
- Crisps
- Juice/Drink
- (Don't just look at the packet)

Visit a shop and use coins to buy something.

What coins did you get back?

You could draw round your change and colour them in the correct colour, or use crayons to create a coin rubbing.

Interview a family friend or relative about their best day out ever!

Write down the questions before you start...
When? Where? Who? How? What?
Don't forget to use question marks.
