

Fun at the fair

Challenge One - Maths- compulsory

The fairground is going to visit Maidstone!

Create and solve mathematical word problems related to the fairgrounds travels.

(Helpful hints: distance and time)

Challenge Two - Design

Design a fairground or ride- you decide how!

Challenge Three - Spelling-compulsory

Learn how to spell 10 words that are linked to funfairs.

Challenge Four - research

Create a fact file about the fair ground

Challenge Five - Speaking and Listening

How have fun fairs changed over the years?

Remember to write a paragraph about your conversation.

Challenge Six - Writing

(At least two A4 pages)

Write a fairground adventure story.

Challenge Seven- Free Choice

Your own choice of home learning based on 'Fun at the fair', this can be presented in any way.

Challenge Eight-Geography

On the given map, what are the counties of the United Kingdom? Add five places of interest to your map.

You only have to complete 6 of these topics- however Challenge One and Six are compulsory.
