### Headteacher's Blog

The term is now in full swing and our Reception children have enjoyed their first full week at school. They've all settled so quickly and we're very proud of them—we know how tired they are and hope they enjoy a restful weekend!

I have had my first meeting with the Year 6 Ambassadors this week, who are keen to take on additional responsibilities around the school.

One of the things they would like to do is some fundraising across the year for a chosen charity. This year we have chosen the **Heart of Kent Hospice**, a charity close to our hearts. Sadly, we lost one of our dear colleagues, Karen Ruler, in July. Karen had been a much loved and well respected TA in our school for 15 years, up until 2015. She finally lost her very brave 10 year fight with cancer in the Summer, having spent her final days in the hospice. We won't be constantly asking you for money, but hope you can spare a little on the odd occasion for this worthwhile cause.

Last academic year's provisional results have been published and we're delighted to be above other school's nationally in almost every subject in every Key Stage! Please check out our [website](#) for more details.

All payments made to the school office **MUST** be in an envelope clearly marked with the child's name and what the payment is for.

The office are **unable to accept** loose cash and will ask you to return with a named envelope. Any change will be sent home with the child at the end of the day.

We have a red post-box in the front lobby for you to use too!

**Children, please bring a silver coin as your donation to this good cause.**
