

Challenge 1 - Maths

Make a short shopping list to use at the shops. Pay for the items at the till (Aim to use cash to check the change). Stick your shopping list and receipt in your book. Did you get the right change? Do you know all the coins?

Challenge 2 - DT

Design and make a party hat ready for our Christmas party in the last week of term.

Challenge 6 - Art

Create a still life picture of a fruit bowl. Be creative you can use a variety of materials if you wish. E.g. paint, pastels, collage or colouring crayons.

Challenge 3 - Science

Look round your house and find objects that fit into these categories: Wood, Plastic, Glass, Metal and other. Present your findings neatly in a table. Discuss how these objects feel and look. Can you bend all your objects?

**Challenge 4
TALK TASK**

Talk to your family and friends and ask them about their favourite party or celebration they have been to.

**Challenge 5 -
English**

Write a story with a party in it. Who is your main character? Have you described them? How does the story end?

Challenge 7 - Science/DT

Research healthy food. Design and label a healthy lunch box. You could draw the healthy food or be creative and cut and stick food pictures from a magazine.

Remember no chocolate or fizzy drinks!

**Home Learning books should be in school
EVERY THURSDAY
with a piece of completed home learning.**
