Headteacher Mrs Ashley Crittenden BEd Hons NPQH

10th November 2017

Dear Parents/carers,

Flu Vaccination Programme

The nursing team who came to the school to administer the Flu Vaccinations were unfortunately unable to carry out all year groups as expected; so Lime, Lilac, Juniper and some of Hornbeam Class will be done at a later date.

I have been hoping to get a new date for you, but so far the NHS are unable to confirm when they will be coming back to complete the programme.

The children who were vaccinated would have brought home a certificate and information leaflet.

I will write to you again to let you know when we are able to re-schedule.

Many thanks

A.S. Crittenden

Mrs A Crittenden
Headteacher
