### Headteacher's Blog

This week is national Anti-Bullying Week. We have used this as an opportunity in school to remind ourselves of our Community Code, "*Be kind, be safe, be responsible...*", focusing on the 'Be kind' aspect. Children have been asked to try and perform an act of kindness every day. I wonder if you've noticed this at home?

We've had lots of fun today, raising money for **Children in Need**, dressing up and taking part in lunchtime activities! Thank you to our **Ambassadors** for putting on these extra events. We'll let you know how much we raise in the next newsletter.

Could I kindly remind parents and carers to check all items of **clothing are named!** As we approach a cold snap, children will have hats, gloves and scarves in school and we already have quite a collection of unnamed items! Anything with a name in will be returned to the child. If it's not, it ends up in lost property!

WEST BOROUGH PRIMARY SCHOOL
