

# Easter Bonnet Competition!

On Tuesday 27<sup>th</sup> March we are inviting all the children to take part in this year's Easter competition. Children are asked to design and make an Easter Bonnet (hat). They need to bring their bonnet into school in the morning of 27<sup>th</sup>. There will then be a parade during the morning. Reverend Chris Lavender will be helping to judge the winners.

There will be prizes for each year group!

*Please note there is no expectation that you spend a lot of money on your design – the more creative and homemade the better!*
