A note from the Chair..

I hope that you all had a fantastic Easter break. Thinking back to last term we had a fantastic response to our two bake sales, both in terms of donations but people coming and buying all the delicious bakes. A huge thank you to everyone who donated their time in hosting, and also for all of the fabulous baking; both times there were enough donated to run a second sale. We have two further bake sales this term and the bar has been well and truly set! We also had our chocolate bingo event and it was great to see so many of you there; the spot prizes proved to be especially popular and added a bit of extra excitement!

As we enter into another new term and head towards (hopefully) warmer weather and brighter days we are busy preparing for the return of our popular ladies pamper evening and shopping event, which we're hoping will be a fun and low-cost way to enjoy a bit of rest and relaxation and spoil yourselves a bit. We also have our family picnic to commemorate the Royal Wedding in May. Plans for our summer fair in July are also underway, and more information on how you can help will be sent nearer the time. As always, your help and support in attending these events is greatly appreciated, and we look forward to seeing as many of you as possible.

Regards, Lisa.
