### Headteacher's Blog

The school term is now in full swing and the children are becoming very used to their new routines. Our Reception children have been in school full-time for 2 weeks and all the adults in school are so impressed with how they've taken to school—especially at lunchtimes!

Each term, we focus on a Learning Skill, Core Value and Growth Mindset theme. Whole school assemblies are a good opportunity to explore these further. This term, the children have been introduced to the Learning Pit!

During their PSHCE lessons, the children will be learning how to get out of the pit!

We held our PTFA AGM this week—it was lovely to welcome some new parents. Minutes will be available shortly. In the meantime, please find out more about the PTFA and their events by following them on Facebook: [www.facebook.com/WBPTFA](http://www.facebook.com/WBPTFA)
