

18th October 2018

Dear Parents and Carers,

Additional Provision and Learning Support

Our aim at West Borough is to provide our children with an exciting, purposeful and challenging curriculum. In order to meet the learning needs of all of our pupils, it is sometimes necessary for us to provide them with extra specific focused learning. This is over and above the provision that can be given with differentiation in the normal class learning.

The provision we provide is planned on a whole school level and reviewed termly. This enables us to have a more focused approach towards best meeting the needs of all of our pupils. The provision groups are all, as far as possible, run at a time that will not impact on the child's learning in the classroom or are closely linked to the learning in the classroom. This ensures that children in the groups are not missing parts of their class learning. Social Skills and nurture groups are run in the afternoons.

If your child is receiving additional provision, or will do so in Term 2, a sticker will be put in their contact book with the details by the end of this term.

If you have any questions regarding the provision in place for your child, please speak to the class teacher and if you have further questions, make an appointment to meet with me on the day of your child's TLC.

Yours faithfully

Mrs P. Martin
SENCo/Deputy Head
