### Headteacher's Blog

As I write, we are at the end of our 1st term already!

I've been very impressed as I've visited classrooms this term. I can see **great progress** in the children's books, they are engaged and having fun in their learning and behaviour for learning is excellent. At next term's **Learning Conferences**, you will have an opportunity to celebrate your child's successes too! I hope you've all managed to log in to book your appointment time. If you have any issues with the new system, please contact the school office who will be only too happy to help you!

As children have finished their topics for this term, they have completed a **Topic Report** (Years 1-6). Please read, comment and return these as they will go into your child's Learning Journey Book as a record of their achievement. Class blogs on the school's website have also been updated. You can find your child's class by going to [www.west-borough.kent.sch.uk](http://www.west-borough.kent.sch.uk), clicking the 'Children' heading, selecting 'Class Pages' then finding your child's class.

Have an enjoyable half term break.

### TLC's

The Learning conferences next term

**Years R - 6**

Tues 6th and Weds 7th November
