Headteacher Mrs Ashley Crittenden BEd Hons NPQH

18th October 2018

Dear Parents and Carers

Transition to Secondary School

I know you have all been very busy visiting Secondary Schools and thinking about selecting the right school for your child's move to Year 7. At our school we are very aware that transition from Primary to Secondary School can be a daunting prospect for many children and so we have decided to take part in a Transition Project. This has been devised by Primary and Secondary teachers to make the move from Year 6 to 7 just that little bit easier.

The project started in September and will run throughout the whole year with the majority of the work taking place in terms 5 and 6. By the end of July 2019, we hope your children will feel more prepared to move on due to having had the opportunity to learn and practise some of the many skills/tasks expected at secondary school. These include personal organisation, meeting uniform expectations, changing rooms for lessons, writing at speed, reading a timetable and managing homework etc.

In addition to the activities at school, we will also be sending tips and activities home for you to complete with your children, which will also help them to prepare for Year 7 and support you in feeling more confident about sending them on to Secondary School.

Should you have any questions, please do not hesitate to contact me.

Yours sincerely

Mrs P Martin
Deputy Headteacher
