Headteacher Mrs Ashley Crittenden BEd Hons NPQH

Dear Parents and Carers,

We are kindly making a request for Volunteers to listen to children read during the school day. Hearing children read aloud and discuss the book really helps their progress, so your help would be most appreciated!

If you are willing and able to help us with hearing children read please complete the form below which includes which times/day you are available and which year group(s) you would be happy to support. We encourage parents to support children in year groups other than those where their children are. You will then be contacted for an induction meeting; this meeting will outline routine, policy and guidance for hearing children read.

Please could responses be returned to school no later than Friday 22<sup>nd</sup> January 2016.

Many thanks

Mrs L. Wheaton  
Reading Leader
