September

3rd	Inset Day—SCHOOL CLOSED
4th	First Day of Term 1

Headteacher's Blog

As we return for our final term of the school year, it's a good opportunity to reflect on what we've achieved this year and to begin looking forward towards next year.

- Perhaps one of our largest challenges was increasing the size of our Reception year to 90 pupils. They are now very ready for Year 1 and our Lodge looks like it's always been there!
- We have introduced the mastery curriculum for Maths across the school and we are delighted with the impact this is having. Miss Holliday, our Maths leader, has the opportunity to visit Shanghai later in the year to see mastery in its true sense and we will then host teachers in our school from Shanghai in January. More details will be shared nearer the time
- Our focus on Growth Mindset is challenging the way our pupils think and we are starting to see a positive change in attitude towards more difficult learning. We will continue to look at this next year too, until it becomes embedded.
- In Term 6 we prepare the children for the new year ahead. Later in the term, they will spend time with their new teachers and you will have an opportunity to meet with them too. This will be on 18th July. For our Year 6 pupils, they have begun to meet with staff from their new schools and will also have opportunities to visit.

Head Lice

Please continue to check your children's hair regularly. If you would like an information leaflet, these are available from the school office. Thank you.

Polite Reminder

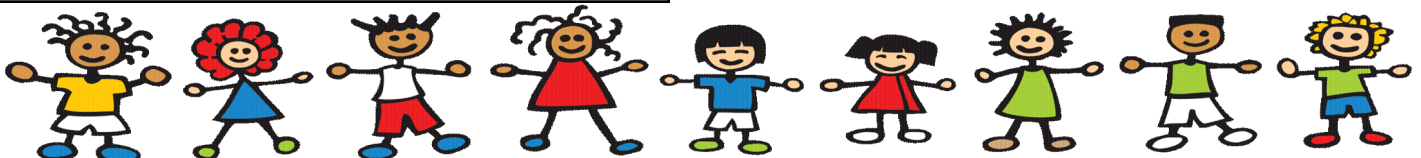

We are a non-smoking site. Smoking is not permitted anywhere within the school grounds, including just outside the school gates. This includes e-cigarettes. Thank you.

Sports Day

It was wonderful to see so many families supporting their children on Wednesday. It was a great day full of fun and competition! Thank you for all the positive feedback we've received. I will be posting photos of the day on our website, once we've received all your updated Consent Forms. Please return these as soon as possible. Thank you.

Here's to wonderful Term 6.
