6th September 2018

Dear Parents/Carers of Year 6,

Year 6 – Astrodome in School – Wednesday 12th September 2018

Our learning in the first term of Year 6 ‘*What’s out there?*’ is linked to space. Therefore, to kick off our learning (and because it is amazing fun!), we have booked the Astrodome to visit the school on Wednesday 12th September. The children will be able to sit in the darkness of the dome and watch the stars and planets move above their heads!

The cost for this experience will be just £3.00 per child; please send this to the office together with the slip below, no later than Monday 10th September. This is a voluntary contribution, however if we do not receive sufficient contributions, we may be unable to run this event.

Yours sincerely
