

# Bright Sparks Academy

## Challenge One - Maths

Create a song or rap to help you to learn your times tables.  
You will need to record the song / rap in your home learning book, and we would love to hear you perform it too - although this is not compulsory!

## Challenge Two - English

Research Thomas Edison, and present your findings as either a piece of writing or a PowerPoint

## Challenge Three - Science

List all of the items that use electricity in each of the rooms in your home and keep a record of everything that you use during one week, which needs electricity to make it work.

## Challenge Four - Science

Create an Electrical Safety Poster

## Challenge Five - History

Find out what homes were like in the past, before electricity

## Challenge Six - Creative / Science

Create a DT project that includes an electrical circuit.

## Challenge Seven - English

Be an author and write a story. You can choose any type of story. Aim for 2 pages of writing.

**Home Learning books need to be in school EVERY Monday.**

**You will be allocated 1, 2 or 3 house points depending on your personal achievements every week.  
Tasks can be completed in any order.**
