

Challenge One-

Spag paper

# Extinct & Endangered

Challenge Choice

Create a piece of maths related to the topic, e.g. a pie chart or bar graph about endangered species.

Challenge Choice

Art and design - produce a piece of art or a model linked to the topic.

Challenge Two

Research extinct animals and how we know about their existence. It is up to you, how you present your findings.

Challenge Choice

Imagine you are an animal on the verge of extinction. Create a poem about how you would be feeling.

Tasks (1 - 2) are compulsory and then you can choose the remaining task.

Challenge Choice

Create a topic picture with your spellings in it.
