- 1st Last Day of Term 4
- 16th First Day of Term 5

### Headteacher's Blog

It's been a busy start to the term with lots of exciting things happening!

Hopefully many of you will have noticed we now have our defibrillator in place, thanks to all your generous donations. Please spread the word amongst our local community as, although we hope it never needs to be used, we would wish for as many people as possible to know it's available.

Sporting wise, we have taken 2 junior teams to athletics tournaments this term already. Both did very well, placing 3rd and 4th. Keep up to date on these and many more events on our Twitter page @BoroughWest.

Congratulations to Kavindu in Year 6 who was invited to meet the Mayor last week at the opening of the new café at Poplars Care Home. Kavindu's entry was chosen to name the café—Cup-lars! Look out for him in the KM!

West Borough now has an Online Safety Squad! On Monday, I had the pleasure of taking some Y5/6 pupils to be trained as Online Ambassadors. They are all very excited about their new role and will be supporting children, staff and parents in keeping pupils safe when online. They will begin by leading some sessions during Safety Week on Internet Safety Day. They will also be supporting me in updating our website—check this out soon!

### PLEASE PARK CONSIDERATELY

We have yet again received complaints from neighbouring residents that cars are being parked inconsiderately in Cherry Orchard and Greenway. Please can I ask that all parents/carers be **responsible** when bringing and collecting children from school, parking in designated areas only - not across residents' driveways or on the grassed green area.

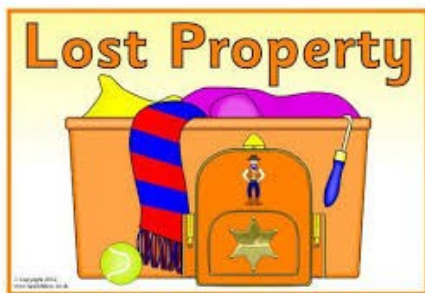

Thank you.

## Reminder!

The lost property is now kept in a box under the covered walkway. Please check for missing items.

Thank you!

Premier Education will be running sports and dance based holiday activities in school this February half term. Available for children of all abilities aged 4-12 with action packed days consisting of fun games and sports for your children. There will also be dance specific courses running at select venues.

Standard days run from 9:00am-3:30pm and are £16 per child per day. Extended days run from 8:30am-5:00pm and are £20 per child per day. Book 2 weeks or more in advance to receive an automatic 15% discount or speak to a Premier Education Activity Professional in your school to receive their exclusive 20% discount code. To book your child's space, visit
