

## Year 4 Home Learning Activities

Hi Year 4,

We hope that you are all staying safe and well and that you are enjoying your Home Learning packs.

As promised, we have created a few more ideas to keep you busy!

### Let's get Creative – Writing Task!

Use the tips below to write your own creative story. Remember that your story will need an exciting dilemma. Don't forget to use adventurous vocabulary and all of the skills that you have learnt in Year 4. Write your story in your exercise book and don't forget to read your completed story to an adult at home.

#### 3 Let's get creative! Part 1

The key to any great story starts with the characters that you create.

Use the activity sheet to draw and describe a main character for an adventure story.

- It could be...
- a pirate
  - a sea monster
  - a hero
  - a skeleton
  - a mummy

These are just a few ideas. Don't be afraid to use one of your own.

#### 4 Let's get creative! Part 2

As well as having exciting characters, it is equally important to have interesting settings for your story.

Use the activity sheet to draw and describe a main setting for an adventure story.

- It could be a...
- island
  - cave
  - pirate ship
  - under water
  - ancient city
  - boat

These are just a few ideas. Don't be afraid to use one of your own.

# Place Value - Maths Revision!

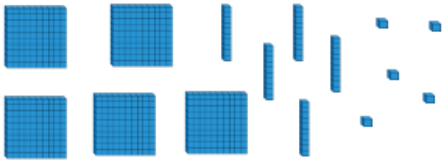

## Year 4

### Place Value Assessment

Name \_\_\_\_\_

1 Circle 341

1 mark

2 What number is shown on the place value grid?

Thousands	Hundreds	Tens	Ones

1 mark  
  
1 mark

Draw more counters to make the number 3,048

5 What is the value of the 5 digit in each of these numbers?  
Match the correct number to the correct value.

- |       |             |
|-------|-------------|
| 511   | 5 thousands |
| 5,103 | 5 hundreds  |
| 6,950 | 5 tens      |
| 695   | 5 ones      |

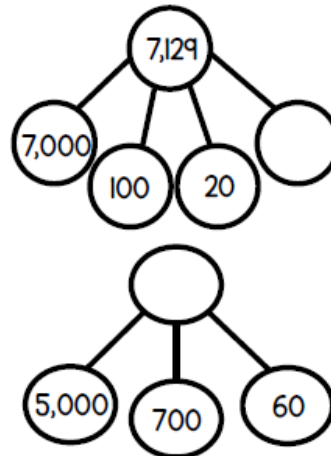

2 marks

6 Using the digit cards make an even number between 7000 and 8000

2 marks

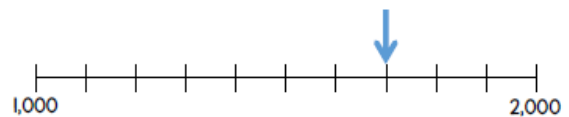

3 Complete the part-whole diagrams.

1 mark

1 mark

4 What number is shown by the arrow?

1 mark  
  
1 mark

Draw an arrow to the number 1,999

7 Complete the missing numbers.

6,100		6,200	6,250	6,300		
-------	--	-------	-------	-------	--	--

2 marks

8 Jim makes a 4 digit number.

- The hundreds digit is a 7
- The tens digit is one more than the thousands digit.
- The sum of all the digits is 10

What number did Jim make?

1 mark

9 Circle which of the following is equal to 5,042

- $50 + 42$         $50 + 40 + 2$   
  $5000 + 400 + 2$         $5,000 + 40 + 2$

1 mark

Circle how confident you feel with place value.

- 1      2      3      4      5  
 Not confident      Very confident

## Extra Ideas

- Create a rainbow and display it in a window that your neighbours can see. You could make your rainbow using a collage from old magazines or newspapers, paint your rainbow, use chalks or pastels, colouring pens or pencils or any other materials you can find in your house. Be as creative as possible!

- Make a bucket list of things that you look forward to doing in the future with your family and friends.
- Stay active by taking part in Joe Wicks PE or his other YouTube videos.
- Follow West Borough's Instagram and Twitter pages for Mrs Crittenden's challenges and other activities.
- Continue to play TTRS to try and win the Year 4 battle!!
- Continue to play Spelling Frame – we will be changing your spellings every Monday!
