Jessica V – Year 5

I want to say a big thank you to Jess. She has been amazing for the last few weeks. She has worked hard whilst I have been teaching and has also been a TA for some of my classes. She has let me use her bedroom and whiteboard and I am so proud of her. Well done.

Olivia – Year 5

*I would like to nominate Olivia Honer for pupil of the week this week. She has remained **RESILIENT**, caring and extremely helpful and has also accepted new **RESPONSIBILITIES** within the household like making endless cups of tea and cooking dinner so I can rest after being at work. I am exceptionally proud of how she has handled the change and how grown up she is.*

Charlotte – Year 3

*Charlotte has made us super proud, she has been **CHALLENGING** herself with her times tables, and her school work.. Charlotte showed her respect to the NHS and baked cakes which we delivered to her nanny's nursing home, she also made them a rainbow picture for their staff room. She is missing school and her friend so much*

Taylor – Year 2

She has created some lovely Easter Crafts & Gifts for her family and friends and has made a real fuss of her Great-Grandad to make sure that is he smiling over Easter. Taylor has done lots of baking too, which she has shared with her neighbours! Taylor has been a big help around the house, and has been helping with chores as well as helping paint the garden fences and plant new plants. We are very proud of how Taylor has dealt with these uncertain times and she always brings a smile to our face with her caring and thoughtful ways.

Georgia – Year 2

*For riding her bike without stabilisers for the first time after just two attempts. She embraced the **CHALLENGE** and showed great **RESILIENCE**. She has kept active by riding her bike everyday since. She has been kind and thoughtful by making cards and notes for neighbours, delivery drivers and her Nanny and Nana. We are very proud of how she is coping without her friends and teachers but is embracing the challenges you set and having as much fun as she can at home!*

Annabelle – Year 1

*For her **RESILIENCE** and overall attitude towards this strange situation we are all in, whilst massively missing her friends. Annabelle has also started to read the first paragraph of each chapter of Charlie and the Chocolate Factory to us and reading words like ‘disappearing’ with no hesitation!*
