

Monday 27<sup>th</sup> April 2020

Hello Parents and Carers,

Hope you enjoyed last week's learning. It has been lovely to see photos of the children completing their activities. We have uploaded these to our class 'Padlet' and have written a comment. Please continue to send us your children's learning, it is lovely for us to see.

Please find details below for this week's learning; please ask if you have any questions.

We hope you enjoy watching our video this week. We have planted a flower which you can use to help complete the plant diary weekly or you are welcome to plant something of your own at home.

Mrs Bunting and Miss Woollard

### **Maths- Daily counting and a White Rose lesson**

Daily counting choosing one of the following- counting forwards or backwards in ones to 100, counting in 2's, 5's or 10s.
