Jessica T – Year 6

Jessica has signed up for Online Karate so she can catch up in her lessons. She does some of her books every day and has finished all her reading books. As her new topic is based on WW2, she made a WW2-based poster for her homework. Jessica does most of her homework by herself, so I always depend on her to do the right thing. Overall, I think she is doing quite well!

Dylan – Year 2

He's worked consistently well over the past few weeks without any fuss whatsoever, and even tells me what tasks he'd like to get on with. He's settled into a routine and starts everyday by doing the Joe Wicks workout on YouTube, before focusing on the remote learning activities and doing some reading. He's also enjoying the daily videos on BBC Bitesize. Even though he's missing his friends from school he's coping so well with the lockdown and has been a real pleasure to be around.

Thomas – Year 2

Thomas knows he does not deserve the tidy bedroom award this week but Mummy and Daddy are proud of how Thomas looks after his little sister at school and how he always eats all of his packed lunch and we hear he's well behaved too. Well done Thomas!

Harrison – Year 2

Harrison has made me so proud since all this began of how he is dealing with this not seeing family and friends - understanding the seriousness and how social distancing must work and having to be with me 24/7! I'm seeing that Harrison loves certain aspects more than others! This week we have made the fire Of London biscuits - All 48 of them - so thankfully we got to door drop some to Nanny and Grandad to help us out! And I'm nominating Harrison for pupil of the week because they are delicious!

Violet – Nursery

We have been working on her letter recognition and sounds and she managed to match all the letters. Once she had completed it I turned the cards over so she couldn't see the letters on the card, she chose the letters by sound using phonics. Violet is so excited to be joining year R in September and can't wait to show her teachers what she has learned!
