

### Activity 3 – Commemorating events creatively

Items are often made to commemorate specific events for example anniversaries, special occasions, and events of national significance. VE day is one of these.

Your challenge is to design (and possibly make make) something to commemorate the 75<sup>th</sup> Anniversary of VE day.

Be creative! It could be a song or dance; a poem; a cup, mug or plate; a picture, a cake, a piece of sewing or even a tea towel!!! (See pictures). The choice is yours.

We look forward to seeing some creative photographs!
