

Nursery Remote Learning – w/b: 11th May 2020

Dear Parents / Carers,

This week's learning is based around 'The Enormous Turnip.' Here is a link to the story, in case you don't have it at home.

On Monday, begin by reading or listening to the story. This will help to set the scene for the activities to be done this week.

Soup Making

You may want to try and make some vegetable soup with your child. There is a recipe included, however any vegetables that you have at home will do. Please support your child with chopping the vegetables and staying safe with the knife!

For more cooking ideas follow the link to Cbeebies – World Kitchen.

Have a go at some of the other activities throughout the week too.

You can also listen to lots of free stories and songs here. Just follow the link and click 'listen'

And finally...

Don't forget to email a picture of your child's work or a photograph of your child doing one of the activities so that we can add to the class padlet pages. We are loving receiving so many photographs and examples of your children's work.

Have fun with the activities and stay safe!
