

11th May 2020

Hello Year 1 Parents and Carers,

Thank you for continuing to send us photos of your children's learning; we are updating the class Padlets regularly. You may have noticed we have announced the children with the highest scores and most improved on NumBots and Spelling Shed and we will continue to do this weekly.

We hope your children have enjoyed completing a plant diary (we are now on week 3). Don't forget you can watch our weekly plant updates to complete the diary or plant your own at home.

Please do not hesitate to email us if you have any questions regarding your child's learning.

Mrs Bunting and Miss Woollard

Maths- Daily counting and a White Rose lesson

Daily counting choosing one of the following- counting forwards or backwards in ones to 100, counting in 2's, 5's or 10s.
