

Year R Home Learning Activities – w/b 29th June 2020

'Kipper's Beach Ball'

Here are some activities for you to do at home. There are 5 phonics, maths and fun activities which you can spread over the week. Please continue to send us your lovely pictures for our class padlet

Day 1:

Read the story of Kipper's Beach Ball.' If you don't have it at home, you can watch it here

<https://www.youtube.com/watch?v=ej4eNoIOSEk>

1. Write a list of things that you would need to take to the beach.
- 2.
3. **Phonics** How many words can you think of that begin with 's'?
4. **Maths** Our focus this week is 3D shapes. Can you find objects in your house that are 3D shapes? E.g. cereal box, a ball, a box etc. Can you then sort them into cubes, cuboids, pyramids, spheres?

Day 2:

1. Design an outfit that you would wear to the beach. Or make your own sunglasses.

2. **Phonics** Write words in the sand. Try to focus on those tricky words! You can make your own sand by grinding/whizzing up cereals.
3. **Maths** Build a tower using 3D objects/shapes. Are there some 3D shapes that are better for stacking up on than others to make your tower?

Day 3:

1. Make a boat from any container you have at home. Or make a paper boat. What is the best way to help it float? Experiment with different containers or types of paper.
2. **Phonics** Play "I spy."
3. **Maths** Make 3D shapes out of play doh, or mud, or paper, or plasticine.

Day 4:

1. Draw a picture of an animal that you may find at the beach. Can you describe it and get your grown-ups to guess what animal it is.
2. **Phonics Play** Buried Treasure with real and alien/fake words. You could make your own game or find it online at Phonicsplay.com.
3. **Maths** Can you tell your grown-ups some facts about 3D shapes? E.g. how many straight sides, how many corners, does it have any straight sides?

Day 5:

1. Make your own ices cream cones and ice cream or ice lollies. Use paper to make a cone and then scrunch up coloured paper to make the ice cream.

2. **Phonics** Rhyming words. How many words can you think of that rhyme with – sea, sand, tan, fish,
3. **Maths** Go on a 3D walk. What real life objects can you see and find that are 3D shapes?
