Our focus question for this unit:

What does it mean to be a  
Hindu in Britain today?

Today's Question:

How do Hindus show their faith? Faith  
in what?

To answer the question,  
today we are going to think  
about 'important things'.

# WALT: Understand what is important to some British Hindus

S2S:

- I can identify what is important to me
- I can identify what is important to someone else
- I can look for similarities and differences between people

Can you think of four special things  
that are important to you?

## Activity 1

Complete 4 jigsaw pieces to show  
what is important to you.

Would other members of  
your household include the  
same things?

We are all unique but there  
are some things that we all  
need.

How is religion  
an important  
part of  
peoples' lives?

We are going to watch a clip of Simran and Vrah who are British Hindus. Listen carefully to find out what is important to the children.

## Activity 2

Write and draw about either Simran or Vraj's important things.

You could use jigsaw puzzles to show what is important to them.

Why do you think it is important to understand and appreciate differences and similarities between people?

How does this link to our Core Values?
