

Year 1 Week 3 Remote Home learning

Day	English and Topic Ourselves and world around us	Maths After you have completed the maths learning use this link and watch and take part in the maths videos from this link. https://whiterosemaths.com/homelearning/year-1/week-2/ Use the Topmarks website for some interactive games on counting to 10 https://www.topmarks.co.uk/Search.aspx?q=counting+to+10	Daily Challenges
Monday	Draw a picture of yourself wearing your school uniform. Think carefully about the colours you use.	This week we are learning Place Value to 10. Count objects in your house up to the number 10. For example; 1 pet dog 2 chairs 3 apples etc	Count the correct amount of objects for numbers 1-10.
Tuesday	Label places in our school. Look at the pictures on the worksheet. Can you label the - Playground - Year 1 area - Toilets - Cloakroom Challenge- Write a short sentence e.g. This is the playground.	Recognise numbers to ten. Using the cards count the objects and point to the correct number. Working with an adult say your number out loud. You do not need to print these.	Practice curly caterpillar letters c,a,o,d,g,q
Wednesday	Draw a picture of your favourite toy.	Practise counting with an adult in ones from 0 to 10 and back down from 10 to 0. Challenge - practise counting from 0 to 20 in twos and back down from 20 to 0.	Practise forming numbers 0-10 correctly.
Thursday	Name the rooms in your home. Talk about what you do in each room.	Practise forming your numbers 0 to 10. There is a sheet to help you. Challenge – spell the numbers zero to ten.	Create something using things you have at home. E.g. recycled materials, Lego.
Friday	Recognise classroom resources. Look at the pictures on the worksheet. Cut and stick or write your own label for each picture.	Every Friday at school we will be learning our number bonds to 10. Watch Farmer Pete’s song help you practise at home; https://www.youtube.com/watch?v=poJmS5iWfEs	Phase 2 CVC word building worksheet.
