

Nursery Learning Activities w/b 21st September 2020 'All about me'

Phonics

Body percussion and rhythm:

- Musical statues with a twist! Play their favourite music. Ask them to clap and dance to the music listening to the beat, help children do this by modelling clapping the beat. When the music stops tell the children to strike a pose and freeze.

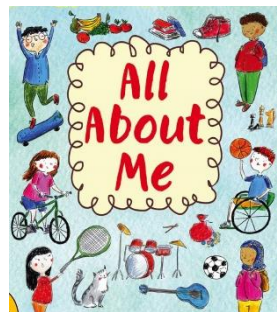

Rhyme:

- Read a simple rhyming book (or use nursery rhymes), once familiar with it pause just before you say the rhyming word to see if they can shout it out. Can even be a different word! E.g. Twinkle, twinkle little car.

Use Class Dojo or email to show us the fantastic and imaginative games your child is playing at home.

At Nursery we are going to be creating self portraits but in different ways!

- Are there any loose parts (pebbles, nuts, bolts, buttons, cotton reels etc) that can be used to create a self-portrait. Please email a picture to apple@west-borough.kent.sch.uk so that we can share their artwork.

Maths

This week we will be looking at the numbers 1-5

- Write the numbers 1-5 on pieces of paper. Can you find that number of objects? E.g. 5 cars on the piece of paper saying 5.
- Make sure when counting you point to the object and say the numbers loudly!
- We will also be singing lots of songs about the numbers 1-5. <https://www.bbc.co.uk/programmes/p065z8z4> has lots to sing along with!
- Can you see the numbers 1-5 anywhere in your house? Show your grownups.

Share lots of stories and nursery rhymes. <https://www.bbc.co.uk/iplayer/episodes/b00jdlm2/cbeebies-bedtime-stories> have lots of wonderful stories. What is their favourite? What did they enjoy about the story?
