

Year 2 Week 4 Remote Home learning Monday 21st September 2020

Day	English	Maths	Topic
		<p>You could use the Topmarks website for some interactive games on counting and place value games. https://www.topmarks.co.uk/maths-games/5-7-years/counting The basket ball game is my favourite.</p>	<p>All creatures great and small</p>
M 21 st	<p>Read the story of the 'Little Green Dinosaur' we read last week. Try to find the question marks and question words. Can you think of some more question words?</p> <p>These are our spellings for this week who, what, where, when why, are, how please practise through the week.</p> <p>Write some of your own questions using these words.</p> <p>Examples: Where did he find his mum? Why was he lost? Who did he meet first? How did he feel at the start? What type of dinosaur is he? Are you my mummy?</p>	<p>Count in 10s from 0 -100</p> <p>Complete the sheet by counting the tens and ones and write the number they represent then write the number in words.</p>	<p>Science What is a microhabitat? https://classroom.thenational.academy/units/habitats-c850</p> <p>Follow the instructions on the video and take the quiz.</p>
T 22 nd	<p>Plan to change the story to make it your own. What 3 dinosaurs would you use? (look at the dinosaur pics below) What 3 adjectives would you use to describe them? What 3 places would your little green dinosaur walk past?</p> <p>Look through the time connectives list below. We will use some of these when we write our own story.</p>	<p>Count in tens starting from 3 to 103 (3, 13, 23, 33, 43 etc.) Use different starting points counting in 10s</p> <p>Complete the sheet by counting the tens and ones and write the number they represent then write the number in words.</p>	<p>Science – Habitats</p> <p>Forest school – micro habitat hunt, make a habitat out of stones, leaves and sticks.</p> <p>If you can't get outside draw a picture of habitats for an animal. Draw the animals too.</p>
W 23 rd	<p>Rewrite 'The little Green Dinosaur' story with your changes. Use the story to help you. Use different dinosaurs and adjectives. Use different places for him to walk through. Remember your connectives and question marks. The rest of the story can then be the same as 'The Little Green Dinosaur' story.</p> <p>Try to write the first part today and you can finish tomorrow.</p>	<p>Count in 5s from 0-100</p> <p>Complete the sheet How many tens and ones? Write the number they represent then write the total. Write them in reverse order too. $70 + 3 = 73$ $73 = 70 + 3$</p>	<p>History We are learning to find out about an important historical person I can develop my understanding of the past. I can place key events of a significant person's life in time order. I can recall key facts about them. Watch this link to find out about the life and work of David Attenborough. https://www.youtube.com/watch?v=uCYDT2SVgbY</p> <p>Put the pictures in order of when they happened in the past. Look at the dates under the pictures.</p> <p>Write when you were born and</p>

Th 24 th	Continue to write your story. Have you got finger spaces? Have you used capital letters and full stops and question marks correctly? Read through your story to check it makes sense and draw a picture.	Count in 2s from 0 to 100 Thursday – Find the odd and even numbers. Odd numbers end in 1, 3, 5, 7, 9 Even numbers end in 0, 2, 4, 6, 8, Complete the sheet by colouring the numbers correctly.	draw a picture of yourself. PE – get physical get your heart racing. Run, jump, hop and play some active games. Use a ball (or rolled up socks) to throw into a target (washing basket?)
F 25 th	Alphabet race with nouns and adjectives (recap). Sing the alphabet song. https://www.youtube.com/watch?v=75p-N9YKqNo Write adjectives to describe an animal or thing (noun) Examples: A is for angry ape B is for brilliant bear C is for careful cat D is for delightful dog	Count forward and backwards in 2s, 5s and 10s using different starting numbers. Represent a number using the part-part whole method. Complete the sheet by writing the missing tens and ones 43 There are 4 tens (40) and 3 ones (3) which make 43 eggs in total.	Geography Revisit learning on continents. Can you remember all 7 continents? https://www.youtube.com/watch?v=K6DSMZ8b3LE&vl=en Learn about UK colour in map with countries and seas. Challenge: Can you add on the capital cities? https://www.youtube.com/watch?v=ncqDJW4EhmE https://www.youtube.com/watch?v=5XTGaGsyLbU

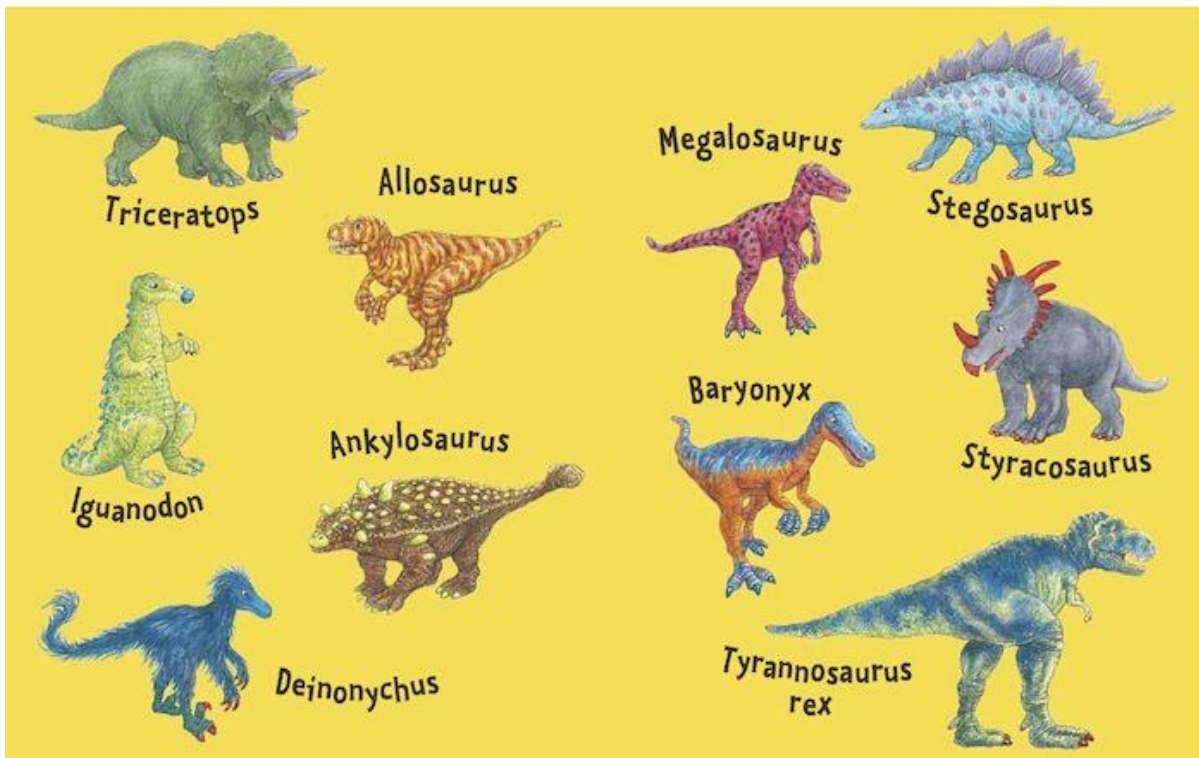

David Attenborough: What do you think his job is? Why is he a significant person?

Number these pictures in time order of when they happened. 1 - 8

 The life of birds (1998)		 Zoo quest (1960)	
 Blue Planet (2001)		 Knighthood from Queen (1985)	
 Life on Earth (1979)		 Marries on return from Royal Navy (1950)	
I was born		Mary Anning discovers the Ichthyosaur (1810) 	

Time words are connectives

Dinosaur names

Answers

The Little Green Dinosaur:

Long, long ago the Little Green Dinosaur hatched out of his egg and found him-self alone in the forest.

'Where is my mummy?' squeaked the Little Green Dinosaur. 'I need to find her.'

So he set off through the forest. First he met a fierce T Rex. 'Are you my mummy?' squeaked the Little Green Dinosaur.

'Not I,' said the fierce T Rex. 'I am a fierce T Rex.' So he carried on over the hill.

Then he met a slow brontosaurus 'Are you my mummy?' squeaked the Little Green Dinosaur. '

'Not I,' said the slow brontosaurus. 'I am a slow brontosaurus.'

So he carried on around the rocks. Then he met a spiky stegosaurus.

'Are you my mummy?' squeaked the Little Green Dinosaur.

'Not I,' said the spiky stegosaurus. 'I am a spiky stegosaurus.'

So he carried on across the river. Suddenly he saw a big green dinosaur. 'Are you my mummy?' squeaked the Little Green Dinosaur.

'Yes I am. I've been looking for you.' and she gave him a great big hug.
