

Challenge 1

Make a poster in your home learning book for number bonds to 10 to help you learn them at home and remember them.

Number bonds are pairs of numbers that add together to make a total.

e.g.

$6 + 4 = 10$

$3 + 7 = 10$

Number Bonds to 10

Fill in the missing number so that the numbers on the clouds add up to 10.

a) + b) + d) + f) + h) +

Challenge 2

Find out information about your favourite zoo or farm animal.

Where does it live?

What does it eat?

What does it look like?

What type of animal is it?

e.g. reptile, mammal

Create an informative report about them.

Challenge 3

Make a dinosaur or animal mask. Take a photo of you wearing it and email to school so we can see it.

Challenge 4

Create a picture of an animal in your home learning book. You can use colouring pencils, pens, crayons, paint or pastels.

Challenge 5

Can you remember all the continents and oceans of the world? Fill in the map in your home learning book.

Extra Challenges

Complete some challenges on the Numbots website using your login. (Sticker at front of Reading Record book)

Spelling shed will also be available for you to practise your spellings and other words soon.

Home Learning books should be in school EVERY TUESDAY with a piece of completed home learning.
