### Headteacher's Blog

As we race through the Autumn Term I thought I'd write an update in a Newsletter rather than via ParentMail!

We've been so impressed with how the children have settled back into school life! We've spent time getting to know the children, where they are in their learning and most importantly, focussing on their well-being. We are unable to hold our normal Learning Conferences this term as we cannot invite parents in, however teachers will be holding a virtual **parents' evening** in the last week of term (w/c 19th October). These will be telephone or Zoom calls and parents and carers will be able to book their time slot. More information will come out via ParentMail early next week.

We are very aware of how different things feel for parents and carers due to limited contact with the class teachers currently. With this in mind we have set up 'Class Dojo'. This is an App which is being used in class, but is also a way to share learning, positive messages and class events with parents/carers. Please ensure you register via the ParentMail message (dated 25th September). We've had a great uptake so far but would love to get to 100%!

### Years R - 6

Please ensure you have completed the online consent form for your child to receive the flu immunisation on 5th November.

<https://www.kentcht.nhs.uk/forms/imms-consent-form/> before 30th October.

You will need to enter your child's school unique reference number (URN) which is **118568**

### Acorns Club

Our new Breakfast and Afterschool Club is now fully up and running with lots of new resources and exciting activities!

Breakfast Club - 3.50 per day from 7:30am  
Afterschool Club - £10.00 per day until 6:00pm

Please contact the school office for more information.

Once again I'd like to thank you all for supporting our new systems and routines - it's really made a difference. If I could just sort out the parking on Greenway and Cherry Orchard Way, I'd be a very happy Headteacher!
