

Geography

Term 2

4.11.20

Geography – 4.11.20

- What is Geography?

Maps

Globe

Ocean

Country

Continent

Atlas

People

Climate

Places

Geography – 4.11.20

WALT – Identify key features on a globe.

- S2S. I can:
 - locate and name the continents and oceans
 - locate and name significant lines of latitude
 - locate and name the poles and hemispheres and understand the difference between night and day
 - understand what the lines of longitude mean and times zones

Geography – 4.11.20

- The earth is made up of water and land.
- Did you know that water makes up about 71% of the earth's surface?

- The large land masses across the earth form the continents.
- Can you name any continents?
- There are 7 in total.

(you may remember a song!)

Watch this clip...

<https://www.youtube.com/watch?v=K6DSMZ8b3LE>

- What can you remember about each continent?
- The Arctic is NOT a continent.
- Do you know why?

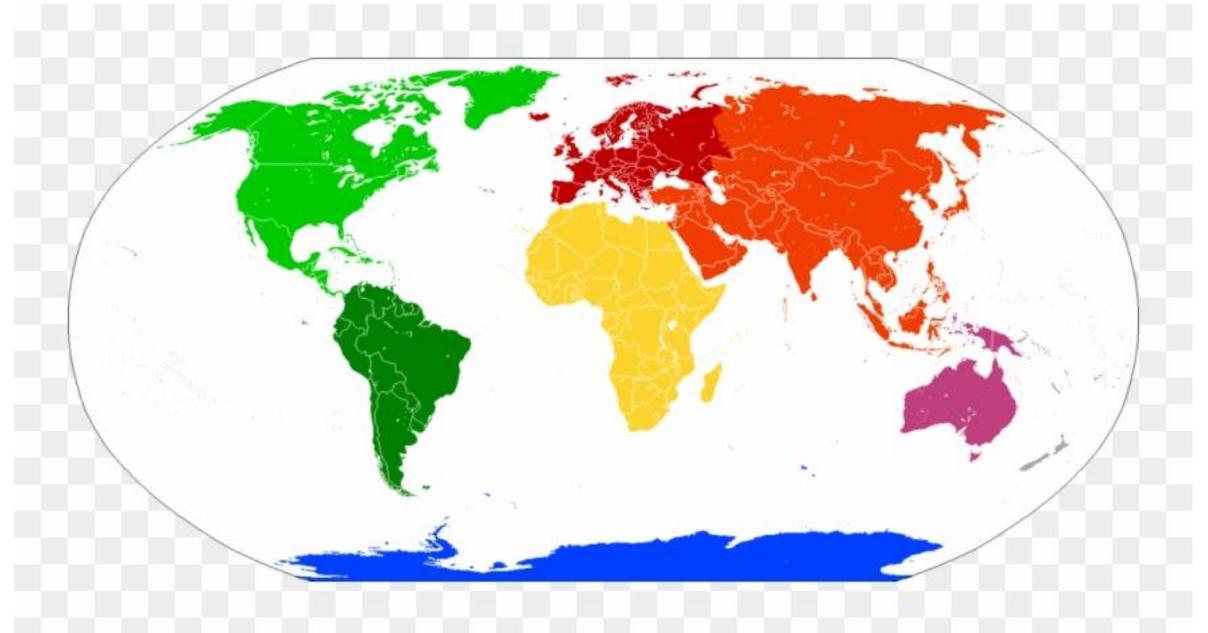

Geography – 4.11.20

- Can you name any oceans? There are 5 in total.
- Which is the biggest?

- <https://www.youtube.com/watch?v=X6BE4VcYngQ>

Geography – 4.11.20

- Label your own map showing the 7 continents and 5 oceans
-
- Asia
 - Africa
 - North America
 - South America
 - Antarctica
 - Europe
 - Australasia
 - Pacific Ocean
 - Atlantic Ocean
 - Indian Ocean
 - Southern Ocean
 - Arctic Ocean

Geography – 4.11.20

- Which directions do you know?

Geography – 4.11.20

Can we name any other features on the globe?

- Where is the North Pole?
- Where is the South Pole?
- Add these to your map.

Geography – 4.11.20

Can we name any other features on the globe?

<https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/zd4rmfr>

- What other features can we add to the map?
 - Equator
 - Tropic of Cancer
 - Tropic of Capricorn
 - Arctic Circle
 - Antarctic Circle
 - Northern Hemisphere
 - Southern Hemisphere

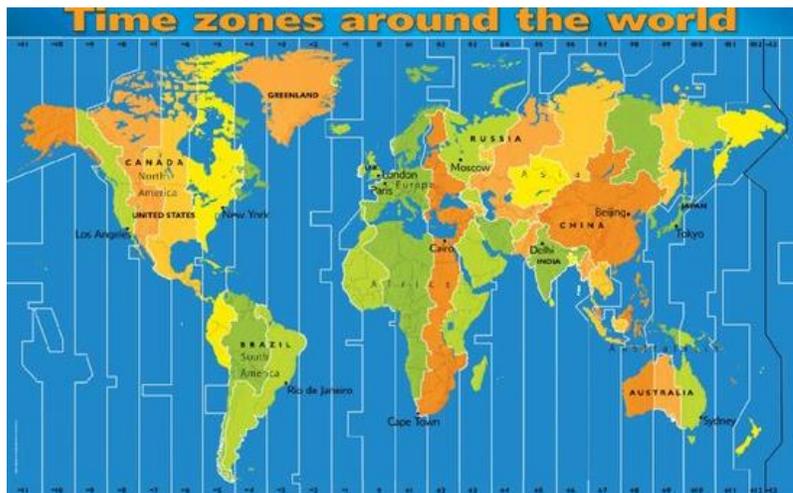

Geography – 4.11.20

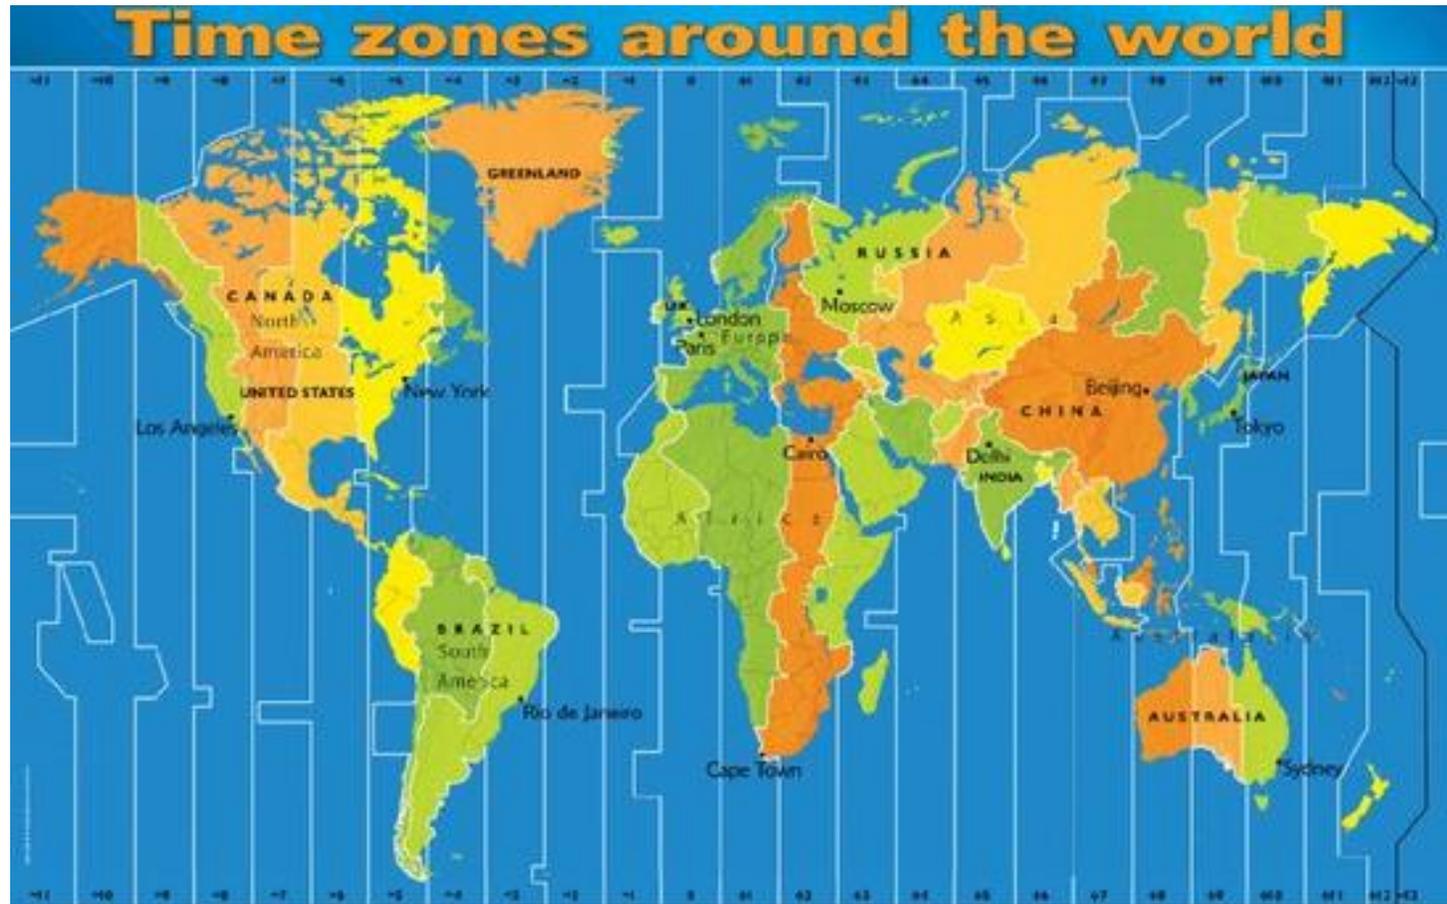

If it is home time in the UK, what time is it in Australia?

<https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/zjk46v4>

- What other features can we add to the map?
 - Draw the Greenwich meridian line and label it on your map

Geography – 4.11.20

WORLD TIME

NEW-YORK

LONDON

MOSCOW

BEIJING

TOKYO

SYDNEY

Geography – 4.11.20

Look at your completed map.

Have you found and labelled all of these features?

Use traffic light pencils to self-assess your work.

WALT – Identify key features on a globe.

S2S I can:

- locate and name the continents and oceans
- locate and name significant lines of latitude
- locate and name the poles and hemispheres and understand the difference between night and day
- understand what the lines of longitude mean and times zones
