

**Nursery Learning Activities**  
**w/b 9<sup>th</sup> November 2020**  
**Remembrance Day**

This term we will be thinking about celebrations and asking the children to remember events they have celebrated. At Nursery this week we are going to be thinking about Remembrance Day.

[https://www.youtube.com/watch?v=pv\\_ub7Be7oA](https://www.youtube.com/watch?v=pv_ub7Be7oA)

Watch the Cbeebies film, ask the children what it was about? How did it make them feel?

What does 'remember' mean?

**Use Class Dojo or email to show us the fantastic and imaginative games your child is playing at home.**

**Phonics**

**Play 'odd one out':**

Say three words, two that rhyme and one that does not. Can they hear the odd one out  
e.g. frog, dog, cat

You could also use this game with initial sounds.  
e.g. flower, field, red

**Maths**

**Finding a total:**

This week we are learning that adding is counting all of a group or set of objects. This gives us a total.

**Comparing length:**

We will be looking at pictures that are a variety of sizes and using language to compare them.

Big, bigger, biggest, small, smaller, smallest, tall, taller, tallest, short, shorter, shortest, long, longer, longest.

*Can the children make their own poppy for their window or to wear?*

**We are going to talk about their ideas and feelings about Remembrance Day.**
