Celebrations - Diwali

This term we will be thinking about celebrations and asking the children to remember events they have celebrated.

At Nursery this week we are going to be thinking about Diwali.

Watch:

<https://www.bbc.co.uk/cbeebies/watch/lets-celebrate-diwali>

Preparing for Diwali - what do you celebrate at home (e.g. Christmas, Easter, Ramadan), how do you get ready? What's the same as Diwali? What is different?

Use Class Dojo or email to show us the fantastic and imaginative games your child is playing at home.

Phonics

Driving

Can you pretend to have a steering wheel? As you 'drive' around, make noises like a car. When you hear the bells (or any sound you can make at home), they need to stop? Use the same noise to start again. Listening is a really important skill in our phonics learning.

Maths

Missing numbers

- Count out loud, stop and your child needs to say the next number.
- Write some numbers e.g.

1 2 3 4 ___

Can they tell you the next number?

Can they try to write the next number?

- Can you write some numbers and they find the missing one? E.g.

1 ___ 3 4 5

Can the children make their own Diya lamp?

We are going to talk about celebrations they have at home.
