

## Year R Remote Learning Activities – w/b 23/11/20

Here are the activities that we will be doing at school this week. Encourage your child to do one activity each day, along with a phonics and maths activity which you can find on separate sheets.

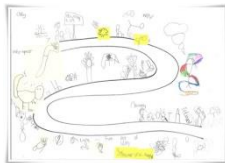

### Activity 1:

This week is all about 'The Gingerbread Man'

Read or watch the story

<https://www.youtube.com/watch?v=pckuS--U1V4&t=7s>

Make a story map about the events in the story.

### Activity 4:

Write some simple sentences about the characters in the story. Draw a picture and then write a sentence.

E.g.

It is a pig.

It is a man.

### Activity 2:

In Reception we begin to teach the children how to draw and make patterns before we teach them how to correctly form the letters.

This week we are revisiting all the patterns that we have learnt so far.

Draw a gingerbread man and decorate it with some of the patterns, e.g. spirals, crosses, stars, horizontal and vertical lines, dots and zigzags.

## The Gingerbread Man

### Activity 3:

In maths we have been focusing on the number 5.

Draw some gingerbread men. Put on some buttons (only up to 5). Count how many buttons there are. Vary the number of buttons each time. Also write a number and ask your child to count out the correct number of buttons and put them on the gingerbread man.

### Activity 5:

Make some play dough and make the characters from the story out of it.
