## Year 6 Remote Learning – Week 5 Beginning 30th November 2020

Please make sure you are reading every day and practising times tables. You can use TT Rockstars and your log-in details are in your Reading Record. You can record what you are reading in your Reading Record. You can also practise spelling and handwriting using the vocabulary from the Topic timetable below.

Assessment We	eek	
Monday	Maths paper I	
Tuesday	Spag/Spelling paper	
Wednesday	Maths paper 2	
Thursday	Reading paper	
Friday	Maths paper 3	

Please bring these papers back to school with you when you return from isolation, we will mark them on your return. Thank you!

<u>Topic</u>	<u>c</u>					
Monday	RE -					
		Complete these sentences	Freedom of Action			
		Fairness is	Each individual is free to choose how			
			they act in most situations, but the			
		Justice is	decision about what to do in any given			
			situation is based on beliefs about the			
		Forgiveness is	situation and the consequences of the			
			action taken.			
		Freedom is				

	What is a consequence?       Image: Choice 1       Image: Choice 1       Choice 2         A result or effect, typically one that is unwelcome or unpleasant.       Image: Choice 1       Image: Choice 2         Think about the different consequences to the different choices that can be made. Think about what choice you would make in this situation. Wednesday	Geography –
	Sustainability
	Sustainability is ensuring that the planet and all of its resources can continue to provide a home for the humans, animals and plants that live here. It is our job to take care of the planet to ensure that future generations of people and animals can live and thrive on Earth.
	Answer the question – what is sustainability and why is it important in the Galapagos Islands
Thursday	PE – Complete a Joe Wicks workout https://www.youtube.com/watch?v=JCfUrMyxBJQ
Friday	<b>Computing</b> –programming using HTML HTML (HyperText Markup Language) is a computer language to help website creation. Click on the link below to learn how to program and publish a simple website. Watch the introduction video to learn more about HTML. Then follow the steps in each video to learn the skills needed. <u>https://www.ilearn2.co.uk/freeyear6html.html</u>
