THANK YOU!

£624

Thank you for all your support in raising such a fantastic amount for Children in Need!

BE SAFE. DRIVE SMART.

It has been brought to my attention that cars are using the junction on Greenway / Cherry Orchard to do U-Turns or reversing their cars in order to turn around after dropping off or collecting children from school. This is obviously extremely dangerous, especially with the amount of children and adults crossing the road here. Can I please ask that instead the green is used as a 'roundabout' to keep the traffic moving and ensuring the safety of everyone. Thank you.

Last Day of Term

Term 2 ends on **18th December**. If your child normally finishes school at 3pm, they will finish at **1.15pm**. If they normally finish at 3.15pm, they will finish at **1.30pm**.

Headteacher's Blog

I'd like to start by saying a huge thank you for all the messages of support you have sent in for the staff over the past week. These have lifted spirits immensely and have formed a wonderful rainbow to greet the staff as they come in each morning!

I am aware that we have been sending a lot of information home via ParentMail. Any emails we send contain important information and often require consent to be given.

Please check your ParentMail App daily. Failure to complete forms by deadlines given could mean your child may miss out on events in school. Class Dojo should only be used for messages that are directly for the teacher. Please continue to use ParentMail/contact the main office for absence, permissions and other general enquiries. Thank you.

The next 2 weeks promise to bring some fun and laughter in school, hopefully continuing some normality for your children in these strange times.
