Let's recap...

Wednesday was our Press conference.

What quotes did we find?

What must we use when writing a quote?

Shackleton's quotes...

Q-What was the worst part of the expedition?

A-It was when my brave little ship was destroyed but the ice.

How can we turn this into a quotation sentence?

Shackleton's quotes...

Q-What was the worst part of the expedition?

A-It was when my brave little ship was destroyed by the ice.

Shackleton stated that the worst part of the expedition was "when my brave little ship was destroyed by the ice."

Shackleton's quotes...

Q-What was the worst part of the expedition?

A-It was when my brave little ship was destroyed by the ice.

The worst part of the expedition was “when my brave little ship was destroyed by the ice” said Shackleton.

What your paragraph should look like...

Firstly Shackleton was asked why he wanted to do this dangerous adventure Shackleton said “we need to discover the unknown.” He went on to state that the worst part of the expedition was “when my brave little boat was destroyed by the ice.” When asked if he even felt that he should just give up he answered “it never entered my head to give up.”
