

## Year R Remote Learning Activities – w/b 7/12/20

Here are the activities that we will be doing at school this week. Encourage your child to do one activity each day, along with a phonics and maths activity which you can find on separate sheets.

### Activity 1:

This week we are starting to think about Christmas.

Share the Christmas story or a story with a wintery theme.

Draw some pictures of your favourite part and add a simple caption.

### Activity 4:

Keep practising writing your name.

Use lots of different colours and write it big and write it small.

Make your own Christmas card and don't forget to write your name inside!

### Activity 2:

Handwriting

We are learning to write the letter 'i'

You could draw an igloo and write lots of 'i' on it.

How about making some ice and as the water melts use a brush or stick or something to write with and write 'i' in the water.

### Activity 3:

Find out about how people around the world celebrate Christmas.

What do they do the same? What do they do differently?

### Activity 5:

Make some Christmas decorations for your tree.
