

Nursery Learning Activities w/b 11th January 2021 The Very Hungry Caterpillar

This week we will be continuing to look at 'The Very Hungry Caterpillar' by Eric Carle. There is a video of this story in your child's Dojo portfolio, you may have your own copy of the book or you could use the link below:

<https://www.youtube.com/watch?v=75NQK-SmIYY>

The children in Nursery have been interested to learn more about caterpillars so we will be looking at a caterpillar's lifecycle.

Art – Can the children design their own beautiful butterfly?

They might want to make a symmetrical butterfly if they have paint at home. They could paint one side and fold it over!

Look out for story time each day on Dojo. There will also be Zoom catch up sessions for the children on Fridays.

- We will sing nursery rhymes
- Look at a new Word of the Week
- Learn a new Makaton sign

The sessions will last 15 minutes.

Maths

In Maths we are going to be weighing fruit and other foods. We have different kinds of scales but you could also use your hands to judge! We are using words like heavy, heavier, heaviest, light, lighter and lightest.

We are also going to continue with counting and writing numbers – taking on the challenge of 10!

What numbers can the children find around the house or on a daily walk?

Phonics – If you have access to a PC

<https://www.phonicsplay.co.uk/resources/phase/1/cake-bake> Username is Jan21 and the password is home. This is a game about rhyming. Find objects at home that the children can find rhymes for.

Understanding the World – As part of our learning we are looking at lifecycles. Can the children talk about, draw, and make, the lifecycle of a caterpillar? Take a photo and send it to us through Dojo.
