This is only a suggested timetable. We will be putting a short daily video on Class Dojo explaining the day's learning. Any resources you need will be uploaded onto the school website. English and maths learning will be uploaded each day. Please also regularly check Class Dojo. You do not need to print any worksheets. Your learning can be completed in your Home Learning book.

In addition, we will have a live Class Zoom call at **9:45 until 10:00 each day**. This is where we can spend some time chatting as a class, talking about our day and playing some games. Below are your class logins.

Maths – we will be directing you to White Rose teaching videos and the worksheet will be on the schools website under remote learning. This week's learning will focus on multiplication. A teaching video for each lesson will be provided on the Maths Outline on the school website.

English – We will be looking at a book called 'My Gran is a werewolf'. This week we will focus on Chapter 2 and 3, with different activities each day. On Friday, there will be a SPaG (Spelling, Punctuation and Grammar) focus.

French – We will be learning the months in French. Please see the pdf PowerPoint on the schools website under remote learning.

Science – focusing on the properties of different materials. Use the pdf PowerPoint's which will be on the school website under remote learning.

Some ideas for PE:

- Go for a walk
- Create your own obstacle course
- Use a stopwatch to time yourself doing different activities e.g starjumps, bunny hops, sprints, skipping in 30 seconds
- Go for a bike ride

RE –Place of worship – see PowerPoint on the schools website under remote learning

We would like you to do

- **at least 20 minutes of quiet reading** each day. Please record this in your Reading Record, with comments, as you would normally in school.
- **TTRS daily**. We will be setting up battles and will be awarding Dojo's.
- **Spelling Frame** . Please ensure you are logging on and practising daily.
