WALT: use comprehension skills

S2S I can

- * find information in a text
- * answer questions correctly
- * use inference

Charlie and the Chocolate Factory

Let's focus on chapter ten.

We are going to take it in turns to read,
everyone else follow with your finger.

If you're at home take your time and read it
to yourself or read it with a family member.

Charlie and the Chocolate Factory

Now answer the questions, answering the questions using full sentences.

Find the answers using the text.

- What time of year do you think it is? What evidence is there to suggest this?
- How many weeks have gone by?
- What was the weather doing?
- How deep was the snow?
- How long did the wind last?
- How did the wind get into the house?
- Why had the excitement over the golden tickets been forgotten?
- Why does the weather give people a bigger appetite?
- What had happened to the toothpaste factory?
- What caught Charlie's eye in the gutter?
- How did he know it hadn't been dropped?
- What did Charlie plan to do with the money?
