Daily Learning Activity

This week we are the story of 'Goldilocks and the Three Bears.' Here is a link to a story that you might like to watch.

<https://www.youtube.com/watch?v=0oUP2PFeOi8>

Today we would like you to sequence the pictures from the story. You could either colour, cut and stick the pictures that are on the next page or draw your own pictures. You could also re-tell the story to your grown-up. Think about what happens in the beginning, in the middle and at the end of the story.

If you want another challenge, maybe you could make some puppets or props to go with the story too!

There are some pictures to help you if you want to make something like this!
