

Use the grid method to solve the given calculations:

a) $515 \times 9 =$

×			

b) $784 \times 9 =$

×			

c) $958 \times 8 =$

×			

d) $441 \times 7 =$

×			

e) $431 \times 4 =$

×			

f) $254 \times 6 =$

×			

Independent Practice 2:

Eliza and Chris use the grid method to work out 245×3 . Who is correct?
Why is the other person incorrect?

X	200	40	5
3	600	120	15

**= Eliza
says the
answer
is 735**

X	200	40	5
3	600	12	15

**= Chris
says the
answer
is 627**
