WALT: make up onomatopoeic words

S2S: I can recognise onomatopoeic words. I can match onomatopoeic words. I can create onomatopoeic words.

Onomatopoeic Words (SOUND WORDS!)

 An empty orange speech bubble is next to the pig.	 An empty orange speech bubble is next to the sheep.	 An empty orange speech bubble is next to the kitten.	 An empty orange speech bubble is next to the dog.
 An orange starburst shape is overlaid on the bottom of the car image.	 An orange starburst shape is overlaid on the bottom of the firework image.	 An orange starburst shape is overlaid on the bottom of the boy image.	 An orange starburst shape is overlaid on the bottom of the boy image.
 An orange starburst shape is overlaid on the right side of the bell image.	 An orange starburst shape is overlaid on the right side of the triangle image.	 An orange starburst shape is overlaid on the right side of the handgun image.	 An empty orange speech bubble is next to the cow.

SPLASH MEOW TING MOO BAA CRASH WOOF
DING-DONG BANG WHIZZ OINK BOOM

Make up some of your own 'crash' sounds inspired by Quentin Blake's Mrs Armitage Queen of the road.

[Empty rectangular box for sound description]
