

Monday 25th January 2021 **Science**
 WALT: identify materials and their properties
 S2S: I can

- Say if an object is light or heavy
- Predict if an object will float or sink
- Observe my experiment and analyse my results.

 Follow the link to the Science lesson

What are these properties?

You can choose more objects to test if it floats or sinks.

Draw this table

Credit: Widgeit Symbols © - Widgeit Software 2002-2020

You can change the objects if you want to.

Object	Material	Float	Sink
rock 			
pencil 			
cotton ball 			
coin 			
<i>Choose your own object!</i>			

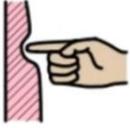

What have you learnt from our experiment today?

Answers

Properties

soft

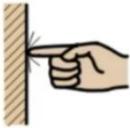

absorbent

transparent

hard

waterproof

opaque

ANSWERS

You can change the objects if you want to.

Object	Material 	Float 	Sink 
rock 	rock	✗	✓
pencil 	wood	✓	✗
cotton ball 	cotton	✓	✗
coin 	metal	✗	✓
<i>Choose your own object!</i>
